

Gardner provides comprehensive health care services dedicated to improving the health status of the low and moderate-income communities in Santa Clara County, especially to disenfranchised, poor and most vulnerable members.

Our programs place a particular emphasis on the critical role of the family and respect for the identities and the well being of various ethnically diverse populations. We serve children and families, adolescents, mentally ill adults, homeless, and older adult populations.

Gardner accepts Medicare, Medi-Cal, Healthy Kids, Healthy Families. Sliding Scale fees are available for uninsured patients.
